RE: PEPPERMILL HOTEL AND CASINO - QUARTERLY REPORT.

Dear Mr. Fields:

A copy of the Quarterly Report of Subsurface Injection for the injection well (Well No. 4) at the Peppermill Hotel and Casino is provided for your records. The report covers the period from May 2, 1994 through July 25, 1994, inclusive. Periodic inspection of the torch cut slots in the steel plate covering the annulus between casing strings clearly indicate that no upward leakage of water has occurred during this reporting period. Please do not hesitate to contact me if you have any questions.

Sincerely,
WILLIAM E. NORK, INC.
