RE: PEPPERMILL HOTEL AND CASINO - QUARTERLY REPORT

Dear Ms. Wells:

A copy of the Quarterly Report of Subsurface Injection for the injection well (Well NO. 4) at the Peppermill Hotel and Casino is provided for your records. The report covers the period from June 25, 1996 through October 1, 1996, inclusive. Please know that Peppermill's production and injection wells operated continuously from January 1, through October 1, 1996. Periodic inspection of the torch cut slots in the steel plate covering the annulus between casing strings clearly indicate that no upward leakage of water has occurred during this reporting period. Please do not hesitate to contact me if you have any questions.

Sincerely,
WILLIAM E. NORK, INC.

William E. Nork, President
