Re: Peppermill Injection Well

Dear Ms. Barlow:

I am writing to you to request some reports that I seem to be missing from the Geothermal Subsurface Injection Monthly Reports file. This came to my attention after I received a report for April, 2000, for the Peppermill Injection Well #4, and in filing the report I found this to be the only one I have so far for this year.

According to the regulations, these reports must be filed monthly. I have enclosed a monthly injection form and if you would please make the appropriate copies for January - March, and then from May on, I would surely appreciate it.

If you have any questions please feel free to contact me at 687-5050.

Sincerely,

Linda Wells  
Program Assistant IV
