Marathon Oil Company will file the summary section only of the Producers Monthly Report (Form 7) for the barrels taken in kind that we will be paying \$.05 per barrel administrative fee on. MAPCO, Inc., the operator of the above-mentioned lease, will continue as in the past to file the Producers Monthly Report showing 100% of the monthly lease activity. In the summary section they will report and pay the administrative fee only on the non Marathon Oil barrels whereas they previously would remit 100%. Marathon Oil's filing and payment will make up the difference. MAPCO has already agreed to these changes. We previously discussed these changes by phone with Kathy Loomis of your office who indicated that as long as the filing was adequate and payment was prompt and correct, there should be no problem with making these changes.
