

# Nevada Power Plants

|                  |                                   |
|------------------|-----------------------------------|
| Plant Name       | : Burdette (Galena 1)             |
| Plant Type       | : Binary                          |
| Other ID         | : NBMG_ID:8                       |
| Label            | : Burdette (Galena 1)   NBMG_ID:8 |
| Owner            | : ORMAT                           |
| Operator         | : ORMAT                           |
| Operational Date | : 2005-01-01T00:00                |
| Status           | : Unknown                         |
| Status Date      | : 1900-01-00T00:00                |

|                                |                   |
|--------------------------------|-------------------|
| UTM East                       | : 263433.19       |
| UTM North                      | : 4364212.76      |
| UTM Datum Zone                 | : NAD 1983        |
| County                         | : Washoe          |
| State                          | : Nevada          |
| Lat Degree                     | : 39.395002       |
| Long Degree                    | : -119.747112     |
| SRS                            | : EPSG:4326       |
| Location Uncertainty Statement | : Unknown         |
| Location Uncertainty Code      | : missing         |
| Uncertainty Radius (m)         | : 0               |
| Location Keyword               | : Steamboat Hills |

|                |              |
|----------------|--------------|
| PLSS Meridians | : Mt. Diablo |
| Township       | : 18 N       |
| Range          | : 20 E       |
| Section        | : 29         |
| Section Part   | : NESW       |

|                       |         |
|-----------------------|---------|
| Capacity MW           | : 30.00 |
| Fluid Temperature (C) | : 165   |
| Flow (gpm)            | : 0     |

|                  |                                                                                                                                                                                                             |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Use Application  | : Commercial/Purveyor                                                                                                                                                                                       |
| Facility Contact | : missing                                                                                                                                                                                                   |
