

Plate 6 - Map of Nevada showing sections in which there are active mining claims.

- Active Mining Claims
- Proposed Roadless Areas

Source: Mining claim locations, digitally plotted by section centroid, were obtained from U.S. Bureau of Land Management by Greg Ekins, who supplied this digital file to NBMG. The mining claim point locations in this file were then plotted as points.

Data compiled by Ronald H. Hess and Jonathan G. Price. Report prepared by the Nevada Bureau of Mines and Geology in cooperation with the Nevada Division of Minerals.
