

AGGREGATE PRODUCTION Reno-Carson City-Gardenville Corridor

Map No. Owner or Producer Deposit Name Comments*

MAJOR PRODUCERS - Active pit or quarry that produces over 100,000 tons of product per year excluding borrow Sand & Gravel

1	A & K Earthmovers	Bella Vista Pit	AB
2	Bing Materials	Gardenville Pit	PCC, AC and AB - Batch plants
3	Gravel Construction	Dayton Pit PCC	AC and AB - Batch plants
4	Hughes Sand & Gravel	Dayton Pit	AB
5	Palke Aggregates	Wadsworth Pit	PCC, AB

Crushed Stone

6	All Life Aggregate	Washington Hill Quarry LW	PCC, AC, AB - AC plant
7	Bertognoli Aggregates	Naturalite Quarry LW	block aggregate, PCC
9	Bertognoli Aggregates	Naturalite Quarry LW	PCC, AC, AB - AC & PCC plants
10	Fisher Construction	Mustang Quarry	AC, AB - AC batch plant
11	Gravel Construction	Hidden Canyon Quarry	AB
12	Gravel Construction	Lockwood Quarry	AC, AB - AC batch plant
13	Rite Aggregates	Rite	LW, AB, PCC, mortar sand
13	Rocky Ridge (BLM sale)	Plant #6-Spanish Springs	PCC, AC, AB - AC batch plant

MINOR PRODUCERS - Active Pit or Quarry that produces less than 100,000 tons per year excluding borrow

Sand & Gravel

14	Fisher Construction	Muskoka Pit	AB
15	Gravel Construction	Wadsworth Sand Pit	Sand only
16	Gravel Construction	To-Parsons Pit	AB
17	Hutches	Smith Valley Pit	PCC, AC, AB - PCC batch plant
18	Shi News	Hungry Valley Sand Pit	PCC, taking sand
19	Tedford	Hazen Pit	PCC
20	Tedford	Lafayette Pit	AC, PCC

Crushed Stone

21	Brown Brothers	Mound House Pit	AB
22	Canyon Creek	Mound House Pit	AB, drain rock, gabion
23	Cinderite	Garland Road pit	AB
24	Cinderite	Red Mt. Cinder Pit	LW, decorative, masonry, decking
25	NDOT	Minkoma Pit	AB
26	Red Rock Homeowners	Plant 7 - Mustang	AB
27	Rocky Ridge (BLM sale)	Plant 7 - Mustang	Basalt, rip rap
28	Washoe County (BLM)	Silver Knobs Pit	AB

OTHER PRODUCERS - Mostly borrow material

29	AAA Construction	Crusader Pit	DG and rock
30	AAA Construction	Sammyer Pit	sand and gravel - temporarily inactive
31	Bertognoli Aggregates	Lockwood Pit	sand and gravel - temporarily inactive
32	Donovan	Pyramid Highway Pit	Planned for closure & future development
33	BLM	Community Pit Brunsack Canyon	sand
34	BLM	Community Pit Gardenville	sand and gravel
35	Cinderite	Grasslands Pit	DG and rock
36	Cinderite	Silver Springs Pit	basalt
37	Gopher Construction	Hazen Pit	sand and gravel - temporarily inactive?
38	Nevada Hydrocarbons	Mustang Pit	limited life
39	Shi News	Lanston Valley Pit	DG
40	Shi News	Golden Valley	DG
41	Washoe County (BLM)	Jumbo Grade	DG

X = unknown or minor producer very minor production

* AB = aggregate base
AC = asphaltic aggregate
PCC = Portland cement concrete aggregate
LW = natural lightweight aggregate
DG = decomposed granite

Major Producers

- Sand and Gravel
- Crushed Stone

Minor Producers

- Sand and Gravel
- Crushed Stone

Other Producers

- Other Producers

Unknown Producers

- Unknown Producers

1 0 1 2 3 4 5 Miles

1:250,000

Remarks:

- Aggregate Producers shown are ownership or recently active.
- Inactive or abandoned aggregate sources are not shown.
- The scope of this study did not include detailed on-the-ground inventory of aggregate producers. Some small inactive aggregate sources may not be shown.
- All roads are from the 1980 TIGER file data.
